We invite parents and children to join us for a delightful hour filled with engaging activities. This is a wonderful opportunity to explore our school, meet our amazing principal, and discover what makes our kindergarten program special.

Families will be able to:

- Meet the teachers
- Have hot chocolate and cookies

The Heritage kindergarten program offers wonderful benefits for your child by allowing them to develop strong academic, social, and emotional skills. Your student is better prepared for their social and academic environment when they enter 1st grade.

There is a difference when it comes to education. Reserve your child's spot today and enroll in Heritage kindergarten for the 2025-2026 school year!
